OPEN SPACE REQUIREMENT. A C-MF designation of three (3) or more acres shall include an open space system featuring pedestrian amenities which must be connected to pedestrian and bicycle facilities in the surrounding neighborhoods. The open space system may include areas devoted to post construction, water quality and/or storm water detention measures, any required or provided landscaping or screening areas, SWIM buffers, greenways or environmental protection features. A minimum of *one-seventy fifth (1/75)* ~~one-thirty fifth (1/35)~~ of an acre of open space must be provided for every dwelling unit created. The open space shall generally be located as a single tract within the C-MF designated site and at least one-half (1/2) of it shall be usable by residents *or* ~~and~~ the public for recreation. *Useable open space areas may include court yards and other improved areas with amenities for the residents or the public if the area is designed as a public space.* When the open space requirement cannot feasibly be accomplished on-site, then an off-site location of equivalent size and within one-half (1/2) mile shall be identified as an alternative public park site. This off-site property shall be deeded or dedicated to the Town after it is improved as a park.
